OUR MISSION STATEMENT

Enriching Lives and Minds by Focusing on Strengths and Recovery

The **Mental Health Center of Denver** is a private, not-for-profit 501(c)(3) community mental health center, providing mental health, substance abuse, housing, educational and employment services. Through treatment, prevention, and outreach services, we helped nearly 50,000 children, families and adults in FY 2014. This represents a 31 percent increase in clients provided treatment, prevention, and outreach services over 2013.
