During 2015, significant in-kind
goods were donated to the
Mental Health Center of
Denver's resource centers by
individuals, groups and
businesses throughout the
community. These generous
donations help assure that our
clients have access to a wide
variety of food, household
products, clothing and other
items.

We would also like to thank the
many donors to our **Gifts of Joy
Holiday Gift Drive**. Donations
of cash, gift cards and toys
helped bring the holiday spirit to
people of all ages who receive
treatment at the Mental Health
Center of Denver.

We regret any omissions or
errors.
