PURPOSE

The Behavioral Health Solutions Center is a 24/7/365 first responder drop-off location for individuals in the community experiencing a behavioral health crisis. This site acts as a drop-off center for first responders, as a crisis stabilization clinic and as a transitional shelter program. The Behavioral Health Solutions Center team includes: Licensed Clinicians, Peer Support Specialists, Residential Counselors, Nurses, Primary Care Nurse Practitioners, Psychiatric Nurses Practitioners and a Food Service Provider.

Volunteers will support persons in services at this site by providing hairstyling; an activity that many enrolled in services may not have access to on a regular basis. This opportunity is special as it allows volunteers to support one of our newest sites and one of our critical programs supporting those in crisis. Volunteers will have a direct impact on the experience persons in services will have at this site.
