

# Our Emergency Contact Cards:

Use this template to create an emergency contact card for every person in your home. You can also ask a grown-up to download copies of the emergency contact card at [redcross.org/prepare](http://redcross.org/prepare). Ask everyone to keep their card with them at all times. That way everyone will be prepared for an emergency.

**Important Emergency Contact Phone Numbers:** During an emergency we may need help from other people, like firefighters, doctors or veterinarians. It's important to know how to call them. Work with a grown-up to fill in these phone numbers, then make a list like this for your home and put it somewhere easy to see in case you need to use it.
