

Professional Learning Series: Early Childhood Care Professionals

This 6-week professional learning series introduces some practical applications to enhance teachers' abilities to form secure relationships with the children in their care. Participants will gain insight into new ways to understand challenging behaviors. In addition, they will learn relationship-based strategies to respond to children's social emotional needs for safe, secure relationships in the classroom – a necessary ingredient for learning.

Don Murray, LPC
Early Childhood Mental Health Consultant
don.murray@wellpower.org

Jillian Faux, LCSW
Early Childhood Mental Health Consultant
jillian.faux@wellpower.org

Date & Time:

Weekly on Wednesdays from April 29 through June 3, 2026
4:30 – 6:00 p.m.

Location:

Virtual on Zoom

Additional Information:

Circle of Security is a reflective group of 8-10 participants that requires active engagement and participation. Participants must be able to attend all 6 of the required virtual sessions. We look forward to having you!

Together, early childhood professionals will:

- Explore the importance of teachers in children's' lives and the central role relationships play in learning.
- Learn how to respond to challenging behaviors in ways that enhance security in the relationship.
- Practice observation and reflection skills.
- Learn to use the COSP Classroom graphic other practical classroom application strategies.
- Apply COSP Classroom to strengthen relationships and support children's' attachment needs.
- Learn to apply COSP Classroom strategies to create relationship friendly classrooms.
